

ANA

DEMOLITION

PTY LTD

When you use us to organise your demolition, you are using the team with many years of experience, committed to skilled and friendly service. Complete the Pro-Forma Fax on the reverse side of this sheet, send it to us and ANA will visit your site within a few days. We will then prepare a no obligation comprehensive quote. (Not some scribbled figures on the back of a card) If you wish to discuss the proposal in person, we will be happy to meet with

you on site. We are able to remove most trees ourselves but can organise removal of others situated over easements or close to fences. (Subject to council) Your demolition and asbestos removal will comply with OHS and Environmental Principles and Worksafe N.S.W. Regulations. You can feel secure in the knowledge the combined expertise of your builder and our team will see you comfortably and safely home.

We include all the following in your quote at no additional cost:

- CDC / Council Approval
- Standard Power Removal
- Standard Water Disconnection
- Branch Sewer Removal
- Temporary Fence
- Temporary Toilet
- Sedimentation Control to 15m
- Assistance with your application to council
- Site left as your builder requires
- Guaranteed Quality Work
- Happy Smiling Faces!!!
